RIDE ME!

Olivia Austin's big, C-cup breasts are capped with puffy pink nipples that are so sensitive, Olivia claims she can climax just from having her boobs played with. "It's true. My nipples get hard when a stiff breeze blows," Olivia explains. "The other day I accidentally brushed my boobs against some young woman's back in the supermarket, and I actually came. Olivia, we should only be so lucky."

BYLF

i've kinda invented a new acronym,
but the sentiment has always
been there

I unabashedly love what I call a sex smorgasbord. If any man thinks my pussy is going to be for their cock only, you've got yourself the wrong girl. I mean, look at me. I'm brash, I'm beautiful, I'm opinionated, I'm horny and I'm ready. That's why I'm a BYLF – a Bitch You'd Like to Fuck. I don't really mind describing myself that way. Looks are way too important in today's society. Way too much concern for outward appearances. I'm happy to tell you that sometimes I get so horny, and, the only way for me to possibly get my concentration back is to get a heaping serving of strange dick. And sometimes the more strangers involved, the better. That's just the way I am.

The more you're out there to show off what you got, the more likely you are to get a good dick between your legs. In addition to my insatiable appetite for big dicks, I've also got this thing for the ladies. Give me a hot pussy and a hard cock at the same time, you'll see a big smile on my face. That's really all the important stuff you need to know about me. But I'm quite sure that doesn't interest a big man like yourself right now. You want to know what gets my pussy wet and how you're going to get your cock into it. Maybe by the

time you finish reading my story, you'll know.

At 32, I cut quite the fine figure in a tight dress, or even out of a dress. I make 18 and 20 year-olds shrink away when they see a real woman walking down the mall. So last Friday night I decide to go to Sterling's Pub. I call my BFF Mindi, who's a bit of a looker herself, and we put on our sexiest, shortest evening dresses and head on down. Navy Pier such a marvelous site: all the tourists coming out to see the attractions and dine at dance at the many restaurants. There are locals, most of whom live and work downtown,

that go there too, like me and Mindi. Many places are meat markets, but that's okay with me. I am the predator, not the prey. I decide whose cock I suck or who licks my pussy. Mindi is pretty much the same way, that's why we get along so good. Beside, she's a tasty morsel I like to have on occasion. And she can have me, too, anytime.

When I'm cock shopping, my secret weapons are in a vast collection of cock-hardening barely-there dresses. All are skin-tight and many have cut outs that leave little to the imagination. I like to push the envelope as far as I possibly can. Call me an attention whore, but

your cock makes my mouth water!

I don't care. So tonight, I'm in a stretchy black crinkle fabric dress that just barely covers my crotch. My cleavage is deep, and my butt is firm. My boobs are big, so they're straightening out the kinks by their sheer size. My butt pushes so hard against the fabric that it stretches the cloth flat across my ass crack. Tonight, no underwear for me. Mindi is almost my twin with a silver shimmy dress with a deep cut out in the back that goes down to her butt crack. The front plunges in a deep V below her cleavage. We are finished off with plenty of bangles on our wrists. Any man who sees us is gonna have to be picking his jaw up off the ground.

So now, it's 9 pm and we must be getting to Sterling's. I jumped into my cherry red convertible, of course, and go pick her up. After parking out front, two valet guys rush over, pushing and shoving each other to get to us first. We give them a sexy smile and the keys, telling them to pick their jaws off the ground, and to be very careful with my car. Suddenly, as the valet pulls away from the curb, a guy in a black Mercedes bumps the rear of my car. I didn't see it, but heard it. I turn just in time to see that the driver managed to get out of his car but seemed a little shook up. I went over to him, and helped him lean on my car. He looked at me and said I was the most beautiful woman he had ever seen. I said is that why he banged my car? He blushed and said if there was any damage, he would gladly pay for it. I looked at my bumper and there was no damage. Relief. I said we have to go, and left.

When we got inside Sterling's, I saw a big group of gorgeous babes dressed to the hilt milling about. Several were either talking to guys or looking into their cell phones trying to look happy. We sauntered over to the bar and two guys vacated their seats for us and we sat down. I ordered drinks for me and Mindi and one of the guys plunked a hundred dollar bill on the bar to pay for them. I looked back at him and told him that was so sweet, but I preferred to pay for my own drinks. Mindi giggled and the guy backed off. We grabbed our drinks and swiveled around on our bar stools to check out the action. Sterling's was a large place that I frequented and knew most of the evening staff, I even 'thanked' the manager a few times, but the owner found out and fired him. Poor boy, but that's what you get playing with fire. An hour into it, we were getting pretty bored. Lotsa guys came over and tried to hit on us, but none would pass the muster. Many of the ladies would look at us and scowl. We just raised our glasses to them and adjusted our boobs higher.

By now, it's near midnight and five drinks later, I was bored. I leaned closer to Mindi and whispered that

what I wanted is to suck her sweet pussy all night long. She said "Groovy" and winked at me, then added, "How 'bout now?"

I looked down the length of the bar. There must have been twenty or so women with a lot of fake tits, and a couple guys hanging over each one. Oh they looked fine in evening dresses, but most probably had mediocre boob jobs when their clothes came off. I grabbed Mindi's hand and gently pulled her off her stool. We walked along the row of bar rats hand-in-hand and headed back towards the bathrooms. We went into the ladies' room and found it crowded with tons of females that it seemed like standing room only at a boy band concert. Ugh! We can't do anything here. We went into the men's room, and while it was less populated, it smelled of beer and dirty cock. No way. We exited and I told Mindi I knew of a storage room at the end of the rest room hallway and pointed to a dark door with 'Private' painted on it.

It wasn't an office. It was a storage room for the bar. We peeked in and saw a bunch of boxes and crates piled up. We went in and found some towels and we laid them down between a few of the boxes. I spotted a couple of rolled up yoga mats nestled in the corner that would be perfect for our little tryst. We unrolled them and straightened them down on the floor. Now we had a cute little bed to play on. Suddenly, I found myself belly up on the mat. The little Mindi had pulled me down on my butt. She kneeled over me and growled, asking me if I was ready for her tongue. Without a word, I pulled up my knees and spread my legs wide. My little black dress had already hiked itself up over my hips.

Her head came down and her mouth found my nipple which she sucked like a hungry piglet. When she came up for air, she moved down my body, her face racing to my pussy. I felt her tongue flickering over my little clit, trying to get it harder than it already was. I reached over and pulled the top of her dress away from her giant boobs. I grabbed a nipple in each hand and squeezed hard. She lifted her head momentarily to squeal and slouched back down. I couldn't stifle my moaning any longer. I squealed and whimpered as her tongue explored every crevice of my engorged labia. I found the tingles of a climax begin way down in my toes. My hands kept caressing those big boobs of hers. Then I gave them a squeeze letting her know it was her turn to get eaten. We flipped around.

With Mindi on her back now, I pushed her legs apart and then I pulled her panty to the side. I let my tongue roll across her mound and I heard the horny girl moan as I slid my tongue into her pussy hole and then all around

her stiff clit. I savored the sweet taste of it. I pushed her legs back over her head and my tongue found her anus. I licked all around it teasing the little brown star with my tongue. She was in heaven. By now, we had lost track of time. Her juices were flowing out-rageously as she came, and her ass was in a puddle on top of the mat.

Hold everything! There was a loud tapping at the door. I looked up and saw the man who banged my car in front of the bar. Why had I not locked the door earlier? Mindi sat up and he looked at us both with eyes wide open and a lusty grin on his lips. We looked at each other and whispered, 'why not?' We curled our fingers, motioning him to come over.

"Ladies," he said, "may I ask what's going on here."
"You may ask," I said, "but if you can't tell, your either blind or crazy."

"Aren't you the lady whose car I bumped into earlier?" he asked when his eyes better adapted to the dark.

“Yes, I am,” I said, “but what are you doing here?”

“I’m the night manager here and I came in to get some things to replenish the bar.” he added.

“Is this something you came in here for?” I asked him as I popped out both of Mindi’s boobs and shook them for him. “Or maybe you were looking for this?” I pulled my dress farther up my hips showing him my glistening wet pussy mound.

Speechless, he gawked at us and I went over and pulled him into our little love den. I pushed him down on the mats, squatted over him and grinded my pussy into his face. Then, Mindi decided to shove hers down there too and we both rolled our pussies all over his face. He started coughing a bit, and when he saw two clean-shaved pussies hovering above his face, he

She announced that it was her turn for pussy and cock. So, we all rotated about, it was my turn to grind my pussy into her mouth. When I began licking, I could already feel her powerful pulsations vibrating my lips. The manager guy had sweat running down his brow and a determined look on his manly face. Mindi and I both scurried around into two doggy positions, waving our beautiful asses in the air in front of him. We kissed each other as he put his cock first in her pussy, then in mine. This bit of craziness finally made my pussy start gushing. Mindi too was also trembling in the midst of her orgasm. On cue, he pulled his cock out of me and then Mindi and I took in his climatic explosion as it erupted all over our faces as we knelt in front of him.

But that still wasn’t enough cock for us. I pushed him down on the mats again and Mindi immediately started licking and sucking him. I also went down there

broke out into this huge shit-eating grin. Without missing a beat, he put a finger up each of our pussies. He vigorously fingered us as we kissed each other above him. Then the naughty man managed to also snake a finger into each of our butt holes. Oh, the sly little devil! Mindi and I continued kissing and rubbing our breasts together. Her stiff nipples gloriously poked against mine. Finally, enough was enough, and I needed me some cock. I pushed her off him and told him he better be big and hard. Mindi and I flopped on the floor onto our backs on the mats, and the guy obliged by sticking his pole in my wet slit. He was on his knees, holding my legs apart as he fucked me. Mindi sat down on my face and I was feeling just marvey. I’m the type of BYLF that’s usually pretty easy to please. Just put a stiff cock in my pussy and a pussy on my mouth, and you got one happy bitch. Who could ask for more? Mindi, that’s who!

and first took his balls and rolled them in my hands. Then my mouth joined Mindi’s as we did double duty on his cock. Mindi gave good head, but I have to admit that my technique was a little better. I gulped the whole thing down, leaving only access to his balls for her, which she instantly took advantage of. He came into my mouth this time and I shared it in a deep kiss with my gal.

Suddenly, there was another knock on the door and the bartender came in wondering why the manager guy was taking so long. He saw the three of us and turned around, headed back to the bar. We all got dressed and let him go out first. A few minutes later Mindi and I came out, a little disheveled but quite content. We went back to the bar and there were two empty stools and drinks in place, ready and waiting for us. Thank you new manager guy.

EXQUISITE TONGUE ACTION

Soon after my new girlfriend discovered this new health club on the internet, she kept insisting that we go. It was in the Cayman Islands and when I got a week off, we headed down there. This place was a little different than the typical health club or spa their website said. Personal care, exotic massage oils, and intense aroma therapy, all wrapped around a unique thermal spa and a special section that is clothing optional.

We arrived at ten in the morning and were whisked away by their limo and within the hour we had checked in and settling into our cabana. There were no rooms, only oversized cabanas that had nice, but typical Carib decor. Our first appointment was at noon, so we grabbed our papaya smoothies and headed to the massage cabana. It was a large tent-like structure with curtains between the 'rooms.' There were options for single and couples massage and you had a choice of masseurs: men, women or two at once, one or both sexes.

Serene chose a woman masseuse this first time and I chose a man. We were scheduled for the next at six pm so we wanted to play it comfortable at the start. After our first one, we went for facials, manicures and pedicures and that pretty much ate up the afternoon. After a healthy meal of veggies and legumes, we headed back for the evening massage. This time I chose a woman, Maria, and Serene's was a man Rolando. I teased her about Rolando because he looked like a body builder saying he must have done a lot of push ups instead of rub downs. I'd glance over at them and a few times, I saw his hands all over her boobs and butt, but she assured me that he was very professional. The only complaint is that the sessions were too short, just 35 mintes. All sessions were 35 minutes because they want you to

taste the other luxuries of the club.

Serene told me she wanted longer massage sessions and I said she should ask him if he made house calls. He said he did work outside the club, but only in the evening at his house. He said he wouldn't charge her for the first one if she came back the rest of the evening during our stay. I told her that I didn't mind because we were here to make her happy. Serene thought about this for a while and took him up on his offer.

The rest of the story is from her perspective because I didn't go with her. Serene took an island cab from the health club to his house. He lived about a mile away in a gated neighborhood. She got there a few minutes before 5 pm and he greeted her at the door wearing his usual black T-shirt and pants. He was still pretty friendly and very professional. Serene followed him and was lead to his back screened in patio. Large tropical plants surrounded each side hiding a six-foot fence. Serene found his set up very erotic when she discovered his massage table outside on the patio.

He said it was very private here and he enjoyed the natural warmth of the outdoors. Maybe he saw a bit of hesitation on her part. He reached over and rested one of his strong hands on her shoulder and started a gentle rubbing. She looked into his soothing dark eyes and felt compelled to follow his instructions. He asked her to get undressed and pointed to the table, leaving her alone to get her a drink.

I teased her about Rolando because he looked like a body builder saying he must have done a lot of push ups instead of rub downs.

BLAIR-NTS-09

Serene was getting a weird feeling as she removed her clothes. The table had a fresh sheet on it but no towel was around. She just expected to find some towels like at the health club, instead she was standing naked by her discarded clothes. Back at the club, a few times she heard him gasp as she turned over exposing her 34DD breasts and trimmed pussy. So she figured what the hell. No sense in stopping now. She crawled onto the table and onto her stomach to wait.

Rolando soon appeared with her drink and a pile of towels. She told me she found his Carib laugh sexy and liked the naughty idea of being completely exposed to this very good-looking man. Rolando handed her a drink and complemented her on her round ass. Stepping over to the table he patted her butt softly. He quickly poured a generous amount of warm oil all over her soft skin. His hands soon started gently spreading the oil. His hands guided it up to her shoulders and swiftly back down over her ass, thighs and legs. He oiled up her feet and her entire body with a coating of the warm potion. She rested her face through the table's opening and enjoyed the sensation of his very strong hands covering her body. When at the club's tables, she was often covered with a towel over her ass, which blocked the warm fluid that now ran slowly between her legs. She opened her legs a bit so the warm fluid would not just sit in the crack of her ass.

He was doing her hands and pulling her arms gently from her body. The cool island breeze tickled her exposed breasts. He seemed to be paying more attention to her large breasts. An evil thought popped into her head and Serene leaned up to reach for her drink. Watching him swallow hard as her round tits stood out was worth the maneuver. She tilted her head back and took a long drink. He stood watching her boobs sway in their heaviness. A few drops ran down her neck and along her right breast. She enjoyed the show she put on just to see his reaction.

Rolando walked down to the foot of the table and he removed his shirt saying it was pretty warm tonight. Then he started working on the bottom of her feet and her toes. He lifted her calf and flexed her leg. He did some deep tissue work on the calf and was

slowly pulling her leg gently. She felt him straighten her leg and then holding her leg straight, he rotated her hip joint very slowly. As she rested her face through the table hole she felt her pussy becoming quite moist as it opened up and felt the cool evening air play against her outer lips.

After doing the same hip rotations, she felt her legs spread out quite far with her privates fully exposed. The sensations of hot oil, cool breeze, sexy strong hands were too much for her. She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved. He ran his hands back down and now she was sure it was an intentional little feel on his part. His fingers boldly touched her swelling pussy lips and lingered for a moment, long enough to cause a gasp from her.

He leaned close to her ear and in his accent-ed voice asked if everything was OK? Serene moaned a low reply that he was doing just fine. Her breathing was heavy and it was like he was testing her reaction to his touching her pussy. He seemed to have passed the test. His fingers now played along the top of her spine. Slowly he pulled his hand down her spine to the center of her back. As one hand would run down her spine and stop, another would begin at the top and start down again.

She was wondering how far he would go when she felt his fingertips press along her ass crack. While one hand was slowly moving in her perfect heart shaped ass the other hand was working that way to replace it. His fingers found her tight pucker and she cooed as he gently ran a finger along her anus. She felt his thumb apply direct pressure on her hole, firm pressure but he did not push it in. He kept his thumb pushed against her as his other hand graced her spine sending shivers along her nervous system.

Serene was confused, not only by his actions, but by her feelings. Surprisingly, she

He stood watching her boobs sway in their heaviness. A few drops ran down her neck and along her right breast. She enjoyed the show she put on just to see his reaction.

felt warm fluid run down her butt crack. His fingers rubbed it into her crack more vigorously than before, This hands gently pried her butt cheeks open and she felt a small penetration of her tightest orifice. She quickly thought of me, she said, and how I took my time playing with her butt hole before fucking it. Rolando was not going to actually fuck it, but perhaps a finger or two would be okay with her.

Serene raised her hips slightly and that was all Rolando needed. He pushed a finger a little further in until it was to the first knuckle. By moving her hips higher, it forced his finger deeperw, and she liked it. Rolando pushed his well oiled finger in to the second knuckle and a moment later it all was in. He now, pulled and pushed it in her butt. She moaned in time with his action as he increased his speed finger fucking her butt hole. Serene thought to herself that now was the time to get on her knees, so she slowly pulled her knees up forcing her ass higher into the air and naturally pulling her butt cheeks further apart. Rolando pulls his finger out and puts both hands on her butt

cheeks and rubs them with intent. Pulling them through her butt crack, he lingers at her anus and then gently inserts two fingers in it. Serene accepts them and pushes back. Rolando pumps them in and out and suddenly it's three fingers.

His fingers push her sphincter wider. After a few minutes, Rolando had established a rhythm that she liked. Moaning and whispering that she liked that, he reached under her with his other hand and found her clit. Serene flinched as his fingers rubbed it and found the right pressure to put on it. Now she was being pushed, or rubbed, over the edge. Rolando leans down and whispers for her not to hold back. Let his hands and finger take her to nirvana. She does let go with long low moan that released her juices. Just so you know, I was back at the club while she visited Rolando. I had my own little affair with Maria (and two of the other masseuses). While I did not butt fuck any of them, I must say that they do give the best happy endings. We decided we liked it and would be back. After all, that's what makes this club so special – and healthy.

Serene thought to herself that now was the time to get on her knees, so she slowly pulled her knees up forcing her ass higher into the air...

MIA ROSE

WILL IT FIT?

I love being in control. When you have a 5 foot 3 inch girl riding a guy like a horse, that's control. When I've got a cock in my mouth or hands, that's control. When a guy cums because of what I did, that's control. When I leave the guy panting and wanting more, now that's real control. They are just puppies in my hands at that point.

CASSIE YOUNG

READY FOR MY SHOW

My breasts, mouth and pussy are perfectly designed fucking tools. They're meant to be used to attract and seduce a man. Or in my case, many men. And I don't let my mate stand in the way. I think by the time you're twenty or so, you're going to know a lot about your own sexual appetite, but to get that information to stay in the brain after you become monogamous is a difficult part of life. I like sex and I'm going to have it with whomever I like, because I can!
